### EMAIL LIST

Please send us your email address to be added to this list and receive the newsletter, or drop us an email to be deleted from the mailing list.

### RENOVATION

In an old, historic building upkeep and renovation is always an ongoing event. Currently we are working on painting the interior trim and repairing broken trim panels. In the future, we hope to obtain storm windows, straighten the foundation, paint the exterior of the building, continue insulating and have some gardening work done on the grounds. If anyone is interested in helping with any of these projects please contact us at our new email address. (See page 1)
