MEETING NEWS

The January 2013 meeting was held at the Vienna Community Center. At this meeting we voted to send a deposit to "The Window Man" for installation of new storm windows in the spring.

We received one quote for foundation repair and are waiting to hear about one other quote before deciding who to hire to repair the foundation and supports of the hall. Anyone wishing to make a quote on foundation repair please contact Marti Gross.

A Central Maine Power Company representative came to the hall to look over how close the wires were to the building. They decided to move them away since it was determined that the wires did present a danger to the building.

The Chili-Chowder Supper is in the works and will be held at the Vienna Community Center on February 23, from 5:00 - 6:30. In conjunction with this event will be the kick off for a 50/50 raffle which will have its drawing at the August Variety show.

Programming for the year is beginning to gel. The kickoff event for spring will be an a cappella

event on April 13. A cappella literally means "in the chapel". Today it means without instrumental accompaniment. This program offers something for everyone with this eclectic mix of vocal genres. The featured singers will be:

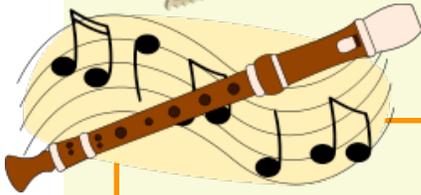

Northfield offering early American and European music
Bay Back 4 a Barbershop Quartet from Portland and
The Gawler Family performing seasonal and agriculturally inspired traditional music.

"Service to others is the rent you pay for your room here on Earth."

IN THE WORKS

Monthly events have been firmed up for most of 2013. They will be as follows:

April: A Cappella Night - 3 groups.

May: Ruth Hill: <http://ruthhillmusic.com/> "Ruth Hill is a storyteller of the finest kind. Her songs are packed with powerful imagery, beautiful melodies and have been described as compelling, authentic, charming, challenging and hard-hitting. With an achingly clear voice she delivers her own eclectic mix of folk, Americana, blues, and bluegrass."

June 22: The Casco Bay Tumblers: <http://cascobaytumblers.com/> "This is true folk music of the Klezmer kind, paying tribute to the deep roots of the music from Eastern Europe and beyond. Fun and frolic, but also pathos and yearning abound."

July: Historical Society plays
August: A "Variety Show"

September: Still under consideration

October: Theater at Monmouth

November: Coffee House

December: Winter Revels

As always, we are in need of new volunteers to help with programming and various updates and restoration projects on the hall. Please come to a meeting or contact us through email or call Marianne at 293-2674 if you are willing to donate some time.
