Lusting for Spring

KEEPING UP TO DATE

MEETING NEWS

The vernal equinox on March 20 will bring spring to Maine and a flurry of activity at the Union Hall. As the weather warms we will be able to begin work on the building and in April, begin our season of monthly events.

First on the project list for the spring will be "under the building clean-up" to ready the building for the repair of sills and carrying timbers. This project will be led by Roger Reville.

The stage floor sanding and refinishing is next on the list of repairs. It was decided to purchase large plastic to hang over the proscenium opening to keep the dust down. We have volunteers for clean-up and finishing but are still looking for someone to operate the sander.

As the weather warms the four large windows in the "main hall" need to be re-glazed and painted in preparation for the installation of the new storm windows. Volunteers are needed for this project.

SUCCESSFUL SUPPER

In spite of the snowy weather on the evening of our chili-chowder supper we had a reasonable turnout of hungry guests to enjoy the great food. Approximately 50 people showed up for dinner

and there was enough food for an all-you-can eat evening. With donations and admission the event brought in \$385.00. Thank-You to everyone who braved the weather to support the hall!

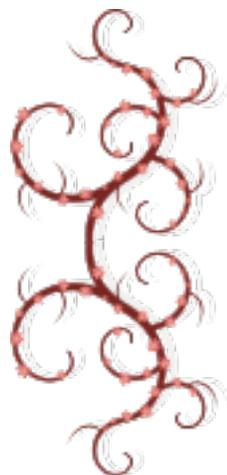

The dinner was also the kickoff of this year's 50/50 raffle. The drawing for this raffle will be in August at the annual Variety Show. Ask any member of the Union Hall for tickets.

"Life is not about waiting for the storms to pass...it's about learning how to dance in the rain!"
