KEEPING UP TO DATE

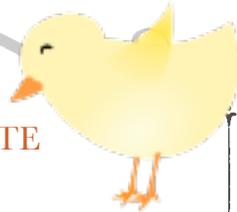

WORKING IT OUT

Work schedules have begun to be set up for summer improvements on the hall. The first order of business was the clean-up of building debris from under the foundation of the hall to prepare for the repairs to the foundations and carrying timbers. The work day, March 31, dawned sunny and warm and we had a great turn out of volunteers. The space is cleaned and ready for step two. Thanks so much to all our wonderful workers and also for the great snacks which kept us energized.

Next, in late April, weather permitting, we will begin work on refinishing the stage floor. We have volunteers to prepare, clean-up and refinish the floor, and now a volunteer has stepped forward to operate the sander!

As the weather permits, we will move on to reglazing and painting the exterior of the four large windows in the main hall. This is being done in preparation for the installation of the storm windows which have been ordered this winter.

Marti Gross and Marianne Archard have made progress on acquiring the 501(c)(3) non-profit organization status that the hall needs to have in

order to apply for grants. The application for this should be ready to be filed sometime before summer.

We are still in need of working out new lot lines for the hall so we can move ahead with other improvements.

Landscaping to the front of the hall will be planned this spring by Kathy and Edwin Kelley and most likely planted in the fall. A generous donation to the hall from

"Service to others is the rent you pay for your room here on Earth."

--Muhammad Ali

Work on front of Hall - August 2007

the Mt. Vernon/Vienna garden club will help to make this a possibility.

Upcoming Events - Tickets Now On Sale!!

April 13

7:00 PM
