Dance!

We are offering two fun events to raise capitol this fall. The first event is a **Halloween Masquerade Ball** on Saturday, October 27 beginning at 7:00 PM. Refreshments such as cider and donuts will be available. Costumes are encouraged but not required. We are asking for \$10.00 each or \$18.00 for two people. All money raised from this event will go into our funds for maintaining the hall.

Two local bands have kindly offered to donate their time and talent to keep the dancers hopping.

The **“Burning Band”** with Dale Perkins - guitar/vocals, John Archard-guitar/vocals, Michelle Pino - Bass, Ron Perkins - drums, Bia Winter - vocals and Scott Tracy - vocals will open the show.

“The Ice Out Band” with Steve Richardson - guitar/vocals, Jay Naliboff - keys, sax, and guitar, John Whitney - bass, Dickey Hoisington - Congas, and Mike Sayward on drums will play next. Everyone on vocals.

Both bands will play a mix of covers and originals that will knock your socks off. Join

us to help us raise some funds while having some good old fashioned fun.

The second fund raiser will be our annual **Fall Feast** at the Vienna Community Center on Sunday, November 11 from 5-6:30. This tasty meal features baked ham, baked beans and fresh salads. More on this next month.

Thank-you

The members of the Vienna Union Hall Association want to thank our entire community for the wonderful support and turn-out for all of the programs that we offered this last summer! We had a great time as did the performers thanks to having

such wonderful and enthusiastic audiences.

Help Us Grow

Now that autumn has arrived we are regrouping for next year and thinking ahead to our 6th annual Winter Revels.

In our efforts to keep the cost of tickets low for our summer programs we were not able to build enough capital to do much to continue our building improvements. Hopefully you will attend our upcoming fund raisers but if you cannot we are always looking for donations of baked goods, time or money to keep us on the path to bringing great artists from near and far to the hall. Donations are accepted by check or online through our Paypal account on the Union Hall [website](#).

Each year we have fairly deep expenses to cover essentials such as filing fees for our 501-C3 tax free status, insurance, LP gas and electricity.

We also would like to be able to purchase things that we need to continue to maintain and upgrade our building.

At this time we need to raise funds to have the upper half of the interior and the ceiling of the hall patched and painted as well as mold mediation on the ceiling.

The following is a list of other items we are hoping to purchase in the near future.

- Fan for the outhouse vent
- Good working vacuum cleaner
- New front door handle
- Stage Lights
- Improved door mats for entry and toilet house
- Stage floor finish and rental of the buffer to spread it
