## Selectmen's Minutes

### April 6 2021

Present: Chris Smith, Jeff Rackliff, Laura Church, Kerry Casey, Irene Goff, Jim Anderberg, Ed Lawless, Tom Jewett

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. Reviewed and signed Warrant #7 (\$89,110.34).
4. The selectmen signed the copy paperwork needed for article #54 which was voted on and passed by Vienna residents in March 2021.
5. The WKLCA (high speed internet committee for Vienna) presented new information to the selectboard.
6. Meeting adjourned.

### April 13, 2021

Present: Chris Smith, Jeff Rackliff, Laura Church, Lidie Robbins

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. The selectmen signed a Quit Claim Deed for property on Map #2, Lot #19.
4. Laura signed a grant application for the Vienna Fire Department. If the fire department receives the Ed McDonald Safety Enhancement Grant with MMA they will receive \$1,500.00 toward two sets of gear.
5. Meeting adjourned.

## Selectmen's Minutes (continued)

### April 20, 2021

Present: Chris Smith, Jeff Rackliff, Laura Church, Kerry Casey, Annie Tibbetts, Ernestine Emery

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. Reviewed and signed Warrant # 8 (\$23,430.95).
4. A resident of the Davis Road filed a complaint about another resident having a large amount of personal property in the right of way of the Davis Road.
5. The selectmen signed the Cemetery Lot Conveyance.
6. Meeting adjourned.

### April 27, 2021

Present: Chris Smith, Jeff Rackliff, Joe Lopez

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. The selectmen helped Mr. Lopez with locating his septic system.
4. The selectmen requested the webmaster post that the garbage pickup will be rescheduled Wednesday, June 2, 2021 to Thursday, June 3, 2021.
5. The selectmen reviewed property cards which had some kind of building done over the last year.
6. The selectmen continued the discussion of a resident's complaint of a property owner putting personal property in the right of way.
7. The selectmen reviewed property transfers.
8. The selectmen reviewed the recently received and updated property maps.
9. Meeting adjourned.

### May 4, 2021

Present: Chris Smith, Jeff Rackliff, Laura Church

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. Warrant # 9 delayed til next week as the Treasurer is out sick.

4. Selectmen worked on updating Property Cards.
5. Selectmen reviewed old Warrants.
6. Meeting adjourned.

### May 11, 2021

Present: Chris Smith, Jeff Rackliff, Laura Church, John Archard

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. Reviewed and signed Warrant #9 (\$15,690.16).
4. The Plumbing Inspector notified the selectmen of several plumbing violations. The Plumbing Inspector will contact the property owners in regards to those violations.
5. Meeting adjourned.

### May 18, 2021

Present: Chris Smith, Jeff Rackliff, Laura Church, Kerry Casey

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. Reviewed and signed Warrant #10 (\$ 71,050.06).
4. The Fire Department received a grant from the MMA for up to \$2,000.00.
5. The selectmen are planning to set the mill rate next Tuesday, May 25, 2021.
6. Meeting adjourned.

### May 25, 2021

Present: Chris Smith, Jeff Rackliff, Laura Church, Ed Lawless, Tom Jewett, Jim Anderberg

1. Reviewed and dispersed the mail.
2. The selectmen read and accepted the minutes from the previous meeting.
3. Members of the Broadband Committee updated the selectmen on the process of applying for Grants and the next steps to receive funding, as well as options on how to provide fiber to the home.
4. Meeting adjourned.

## Planning Board Minutes

### MINUTES OF THE REGULAR MEETING OF THE VIENNA PLANNING BOARD

March 24, 2021

The meeting convened at the Town House at 7:00 PM. Regular members present were Waine Whittier, Alan Williams, Creston Gaither, and Ed Lawless. Minutes of the February meeting were read and accepted.

Wendy Morin appeared to ask about getting permits for a new garage and to move an existing shed on her Kimball Pond Road property shown on tax map 3 as lot 19. No plumbing is involved. As the Board is familiar with the site the usual site visit was waived. Best management practices will be required. Considering the known steep slopes on the site, she was advised that the earthwork must be done by a contractor certified for work in the Shoreland Zone (this will be restated in the permit. It was voted 5 - 0 to authorize Creston to issue the usual permit by letter for this work.

Alan presented an application from Heath Dolloff for a permit to add a deck and a set of stairs onto his existing house on Flying Pond, the property being shown on tax map 11 as lot 13-H. The Board decided to visit the site at 6:15 PM prior to its next meeting (April 28).

The meeting adjourned at 7:35 PM.

April 28, 2021

At 6:15 PM regular members Waine Whittier, Creston Gaither, Ed Lawless, and Tim Bickford visited the Heath Dolloff lot on Flying Pond, shown on tax map 11 as lot 13-H to consider Mr. Dolloff's proposal to add a platform and deck with a porch on the southerly end of the existing house along with a porch and stairs on the westerly side of the house.

The regular meeting convened at the Town House at 7:00 PM, with the aforesaid members present along with regular member Alan Williams. Minutes of the March meeting were read and accepted.

Bob Nurse appeared; he wants to build a 2-car garage within the Stream Protection District. He would like it to be about 50 feet from the brook. Waine read from pertinent sections of the Shoreland Zoning Ordinance, which indicate that the Board of Appeals could issue a variance for this use based on a finding of hardship. Bob was advised that the Planning Board would be unlikely to approve an application for the garage as Bob described it. The requirements for a finding of "hardship" were reviewed; it seems unlikely that Bob could meet them.

It was noted that the Board had not made Findings of Fact regarding the Morin permit it approved in March. The permit has not yet been issued. Findings of Fact were made and the Board voted 4 - 0 to reaffirm its approval of the permit. Tim Bickford abstained as he had missed the March meeting.

## Planning Board Minutes (continued)

The Dolloff application outlined above was considered. An informal site plan has been received. It was agreed that, given the steep slopes on the site, that conditions of approval should include the stabilization of the soil in the vicinity of the proposed deck. Based on its on-site observations and on the site drawing, and a subsequent examination of the pertinent flood hazard map, the Board determined that the project as outlined above:

- 1) Will maintain safe and healthful conditions;
- 2) Will not result in water pollution, erosion, or sedimentation to surface waters;
- 3) Will adequately provide for the disposal of all wastewater;
- 4) Will not have an adverse impact on spawning grounds, fish, aquatic life, bird or other wild-life habitat
- 5) Will conserve shore cover and visual, as well as actual, points of access to inland waters;
- 6) Will protect archaeological and historic resources as designated in the comprehensive plan;
- 7) Will avoid problems associated with floodplain development and use; and
- 8) Is in conformance with the provisions of Section 15, Land Use Standards.

The Board voted 4 - 0 to authorize Creston to issue the usual permit by letter, with the said condition of approval included. Alan abstained as he has represented the applicants.

CMP "pole permit" policy was discussed. Tim said the pertinent statute covers all permits under 30 MRSA & not just subdivision and shoreline zoning. Wayne proposed that individual Board members be authorized to sign Form 1190 provided that they are confident that any proposed structures have the requisite Notification of Construction and SSWD permits, along with any SZO permits required, and that it is not part of an illegal subdivision. This was adopted as Board policy 5 - 0.

The meeting adjourned at 7:40 PM.

Creston Gaither, secretary

## From the Health Officer

### A Little Jab Will Do Ya: Part II Getting a COVID-19 Shot Locally

Dan Onion, MD, MPH  
Mt. Vernon/Vienna/Fayette Health Officer  
293-2076; dkonion@gmail.com  
June 2021

Last edition, I wrote about why and how to get vaccinated to protect yourself, those you love and the whole community. Then, the single shot Johnson and Johnson (J+J) vaccine had just come out, Covid variants were just being found, and shots were just becoming available for those under 60.

A lot has changed for the better since then. The Pfizer vaccine now is approved to be used down to age 12, and it looks like the Moderna one will be soon too. Both those take 2 shots, 3 or 4 weeks apart respectively. The nation, led by Maine, is now over 50% vaccinated and climbing, even counting the ineligible kids under 12. As of the 3rd week in May, 57% of eligible Maine residents had had at least one dose of vaccine and 54% were fully vaccinated. I'm sure those numbers will be close to or over 60% by June 1. This last week in May has seen average daily rates drop under 100 new cases/day, the lowest since a full year ago. Just the week before those numbers, I had a brief meeting with Maine CDC director, Dr Nirav Shah, who was ecstatic they had just dropped under 200. Things are getting rapidly better. So, with fingers crossed, we can hope that the surge in hospitalizations and deaths will also drop, as they should with a several week delay. And newest data suggest that is indeed happening. The elderly population, now vaccinated at rates over 75% in Maine, has seen a huge drop in COVID hospitalizations and deaths. Unfortunately, the younger age groups in their 20s and 30s now represent nearly 50% of Covid deaths in Maine. Nearly all the mortality is in the unvaccinated. And all the states are experiencing a similar decline, correlated with vaccination rates.

Now, the Maine and Federal CDCs as well as Governor Mills are relaxing most restrictions including in- and outdoor distancing, masking, and handwashing, because vaccinated people appear to be enjoying the promised 90+% protection from symptomatic illness. Subsequent follow up of mass vaccinations now show that the vaccinated are also very rare transmitters of Covid to others. The usual precautions like masking will remain in place in medical settings, public transportation and a few at risk groups.

Many of unvaccinated residents remain hesitant about the vaccine, worrying that it is "too new", not fully studied, not effective enough, or responsible for intolerable side-effects. But those concerns are proving unwarranted when compared to the risks of the disease itself including hospitalizations, mortality, and "long Covid", the chronic fatigue and various organ impairments seen after acute Covid and causing months and maybe years of impairments. The scare about J+J causing brain clots has diminished, appearing to be very, very rare, barely a dozen cases among millions of shots. Vaccines do often make recipients sick with body aches, pains and a low-grade fever in the first 24 hours or so afterward; be encouraged by that, it means the shot is helping your body develop strong immunity to the virus.

Given that level of protection, as good as or better than vaccines for any other disease, the relaxation of restrictions make sense for the fully immunized. There still are and will be the few (under 8%) who still get the disease, but usually mild cases, despite being vaccinated. In the trials with 70,000 people, none suffered severe illness or death. Those outcomes are proving fewer than 1 in 100 thousand. There have been a few in Maine, mostly in people with impaired immunity, though some not. Don't be discouraged that this represents vaccine failure. Like most things in medicine, vaccines are never 100% protection but they always reduce the risk of severe infection, like the flu shots do.

## From the Health Officer (continued)

So, my hope now is that we can get the rest of the population vaccinated ASAP, in order to reduce the rate of illness and death as well as decrease the viral population in our communities. The fewer people the virus infects, the less likely it is to mutate/change into a more resistant bug. The new variants have already mutated into more transmissible strains, though so far remaining sensitive to present vaccines. The pharmaceutical industry is also gearing up to modify vaccines quickly to meet any such transformations.

The Maine CDC just last week posted vaccination rates by zip code and ranked by those over or under 60% (<https://www.maine.gov/covid19/vaccines/dashboard/rates-by-zip>). They show that Fayette/Kent's Hill is doing the best by far with 78% of its eligible population fully vaccinated, followed by Mt Vernon (63%), Belgrade (61%), Rome/Oakland (57%) and Vienna (53%). How surprised I, from Vienna, was by that!! COME ON VIENNA, CATCH UP!!

One way to help people in our towns who aren't yet vaccinated, is to provide free shots locally. The Mt Vernon Rescue service is organizing a local vaccine clinic to administer either the PFIZER or J+J vaccines to all comers, at a Mt Vernon Community Center clinic on Sunday, June 13, 11 am-5:30 pm. We are also arranging transportation to the clinic or even home visits if needed. There are still cases popping up in the unvaccinated in our towns. Please get vaccinated, if you haven't already, and urge family and friends to do the same if not for themselves, then for their unvaccinated older friends and family. The jury is in, the definitive data is there now, it is far better to be vaccinated than sick or dead from COVID!

## Mill Stream Grange

Left: Mill Stream Grange in Vienna celebrated National Grange month by giving the Hall a thorough sprucing up inside and out. Members met on Saturday, April 24 for several hours of work.

Future plans for the gardens, building upgrades and repairs were discussed for upcoming work days. Also, a big thank you to our groundskeeper, Darrel Varney, for the preliminary raking and the wonderful mowing job he does all year.

Right: Mill Stream Grange members (l-r) Ed McCarthy, Allan Harville, Pat Onion, Jill Sampson, Debbie Lavender, Lisa Goucher and Paul Lavender (taking picture) met on May 12th to place flags honoring veterans at the Franklin Cemetery on Tower Road in Vienna. This is the 6th year that the Grange has helped with this effort as a community service project.

For more information about Mill Stream Grange meetings and activities, call Paul Lavender at 293-4408 or Jill Sampson 293-4960

## Town Clerk

Annie Tibbetts: 207-293-2915  
Email: [ClerkTax@Viennamaine.org](mailto:ClerkTax@Viennamaine.org)  
346 Townhouse Road, Vienna, Maine

The Town Clerk's office is open regular hours:

Tuesday and Thursday 5-7pm  
Wednesday 9am-12pm and 12:30-5pm  
Last Saturday of the month 9am-12pm

## Dr. Shaw Memorial Library News

“As a young boy, the library card was my prized possession. To think that the son of an oil field worker could hold a key to unlock the endless stacks of knowledge within the most spectacular building I had ever seen, was an amazement.”

Dan Rather

Whew, it has been quite a year (and a bit more). We have been listening to the latest recommendations from the CDC and from Maine State Library, as well as other public libraries, and – we are opening back up for our usual hours, as of June 2nd! We are grateful for your patience and cooperation, our patrons are wonderful about paying attention to how to keep each other safe throughout this pandemic.

### Here is our current information about hours and safety:

**\*Our hours** will go back to: **Monday 3-6PM, Wednesday 9AM-Noon and then 3-7PM, Saturdays 10AM-3PM.**

**\*There** will be no more “tickets” (sticky notes) on the door, so you are welcome to come inside. We will not limit the number of people entering the building, and we will not require signing in at this point.

**\*We will still require mask wearing** for everyone, regardless of vaccination status, as a precaution. There are still people who have not been able to get vaccinated yet for various reasons, and we want the library to be a place where everyone can come and feel safe. We also hope to protect our youngest patrons, as children have not been approved for vaccination yet. Please help protect all of our wonderful community members by wearing your mask in the library at all times.

**\*We will still provide curbside service:** just call us or send us an email, and we will put together your order.

Our plans may change and evolve as we move through the summer, but for now our focus is on seeing you! Please come on in!

We will be offering some outdoor programming during July and August, beginning with the **children’s Summer Reading Program, which will be held at 4pm on Wednesdays through the month of July.** Current plans are to have an outdoor story time followed by a simple Make and Take Craft. Craft kits will be fully made up. They may be done after the story time, or taken home to do later. Anyone not attending the story time may pick up a Make and Take when they visit the library. On rainy days, story times will be canceled but Make and Takes will still be available.

We encourage our young patrons to read over the summer. Reading logs with stickers that help keep track of time will be available to pick up at the end of June, and ice cream cone certificates will be awarded to everyone completing their summer reading goal. This year’s theme is Tales and Tails!

Last year’s Story Walk on the Ezra Smith Conservation Land was a good way to combine movement, appreciation of our local environment, and reading – folks loved it. We are planning to do another one again this summer and expect that it will be ready in the beginning of July. We’ll see you on the trails!

## Dr. Shaw Memorial Library News (continued)

We are putting together a few outdoor programs for adults, also – please stay tuned! This year, one of the nature walks we want to host is about ferns, with Maine Master Naturalist Deb Stahler. Our planned date for the Fern Walk is July 18 (Sunday) at 3PM, with a rain date of July 25. The walk will start at the new parking area for the Ezra Smith Conservation Area, down near the Pond Rd end of Blake Hill Road. We may need to limit the number of people who can participate, we'll let you know as we finalize plans. Meanwhile, we do have a fern identification book in our collection: A Field Guide to Ferns and Their Related Families, by Boughton Cobb (587.3 COB).

**Ongoing Book Sale:** We have a large book sale set up in the old upstairs of the building. Many books in every category are waiting for a new home, and the price is right! \$1.00 for all books, except only \$.50 for mass market paperbacks. Please visit our sale room while at the library, so you can have lots of reading material for down at camp or while you travel.

I have been reading through the town Annual Report, of course, since it arrived the other day. And, I picked up Kurt Vonnegut's A Man Without a Country for a re-read (818 VON). What are you reading while we wait for rain and work in our gardens?

*Submitted by Mary Anne Libby and Alice Olson*

---

## Vienna Broadband Committee

One thing that the COVID pandemic has highlighted is the necessity for a high speed, reliable internet connection. In that regard, Vienna is dramatically underserved. The speed for your internet connection is measured in mega-bits per second (Mbps). The FCC currently defines a "broadband" internet connection as one that provides at least 25 Mbps for download speed and 3 Mbps for upload. This is a decent benchmark for the average family of three. The State of Maine is recommending a minimum of 50Mbps download and 50Mbps upload. **The average speed in Vienna is 4.68Mbps download and 0.95Mbps upload.**

To obtain the speeds needed for today's and the future's internet applications requires that a fiber optic network be constructed. This is not a profitable investment for the large communication companies like Consolidated Communities or Spectrum. There are too few potential subscribers for the profit they require.

Many communities like ours, in Maine and the nation have decided to build and maintain their own fiber to the home network. They build the fiber infrastructure and then invite internet service providers to use it to provide access for you. The end result is a substantially faster broadband connection and at a reduced cost. We could expect 1000Mbps download and 1000Mbps upload for nearly the same price as people are now paying for 10Mbps download and 1Mbps upload.

For the past two years Vienna has been working with the towns of Leeds, Readfield, Mt. Vernon, Wayne and Fayette to evaluate this option – see [www.wklcba.org](http://www.wklcba.org). In the near future we will be announcing our recommendations to build this infrastructure.

Both Federal and State governments recognize the need to improve broadband internet for places like Vienna. They will soon be offering grants to towns willing to take the initiative to build their own. We are hoping to be ready to apply for these grants and given our need, expect we will qualify for a substantial amount.

There are many factors to consider in this endeavor. We need your feedback. From time to time we will be sending out surveys to get a sense of how we should proceed. If you haven't done so already please go to [viennamaine.org/subscribe-broadband-vienna](http://viennamaine.org/subscribe-broadband-vienna) and subscribe to our mailing list.

## Community News

### Fire Department News

Vienna Fire Department, Inc. meets every Thursday at 6:30PM but the following Thursdays are specifically designated as written:

Business Meetings: 2nd Thursday of *every month*

Training: 3rd Thursday of *every month*

The Department is always looking for new members! If you are interested in joining the Vienna Fire Department, come down to the station on any Thursday evening to learn more.

Chicken BBQ: July 25. See included flyer for more information!

---

### Recurring Community Events

Our community is beginning to resume in-person activities, with some modifications. See details below!

**Mt. Vernon Community Center Café** - Buffet to go, every other Saturday from 9:00-11:00 AM. Next scheduled take-out events are June 5 and 19.

**Men's Breakfast** - Tuesdays from 6:30-7:30 at the Mt. Vernon Community Center. Small donation appreciated.

**Women's "Juliet" Breakfast** - Second Tuesday of each month at the Mill Stream Grange 8-9 AM. Pot luck breakfast plus \$2.00 per person. Gatherings resume on July 13!

**Vienna Union Hall Association** - Second Wednesday of each month. 7:00 at the Vienna Community Center (Nov.- March.) at the Union Hall (April - Oct.) Welcome new members.

To submit a recurring event for future inclusion, please email details to [viennanewsletter@fairpoint.net](mailto:viennanewsletter@fairpoint.net)

## Community News

### July 3

**Fireworks Display** to celebrate America's independence and the Bicentennial of Maine Statehood will be at 9:00 pm on Saturday, July 3rd. Band music beforehand on the Mount Vernon Town Beach.

Donations to help defray the cost of the fireworks being sought; checks should be written to "Mount Vernon Community Partnership Corporation" and mailed to Janet Roderick, 1027 Watson Pond Rd., Rome, ME 04963.

### July 17

**Summer Arts & Crafts Fair** on the Mount Vernon Town Beach is set for Saturday, July 17th. If you are an artisan, crafter or have something special to sell and would like to participate, contact Leslie Grenier at [lwg929@gmail.com](mailto:lwg929@gmail.com). Otherwise, be sure to stop by that day to support our local artisans and crafters. Plus there will; be ice cream!

### July 31

The 2021 **Paddle Trek** will launch from the Mount Vernon Town Beach on Saturday, July 31st with kayaks and canoes paddling and portaging part or all of the way to Wayne and a sweet reward at Tubby's Ice Cream. Details on transportation back from Wayne are still being worked out. Updated information will be posted at <http://30mileriver.org/news-events/annual-paddle-trek/>.

**Union Hall Outdoor Concert!** July 31 (rain date August 1). Donations welcomed. Watch for more information on the website and Facebook page; posters coming soon!

### August 8

The 2021 **5K Loon Lap** around beautiful Lake Minnehonk is ON for Sunday, August 8th. It can be run/walked/rolled this year EITHER in person OR virtually. Details also still being worked out, so look for updates at <https://www.facebook.com/mtvloonlap/>. Business sponsors and supporters being sought. All proceeds go to the Mount Vernon Community Partnership Corporation and the Greater Minnehonk Lake Association.

### August

With COVID precautions easing, the Vienna Union Hall is preparing to safely host The **Vienna Woods Players** and a play the third week in August!

In **PLAY ON**, a comedy (1980) by Rick Abbot, a small town community theater group attempts to perform a play by a local amateur writer, whose ongoing script changes challenge the cast's patience, perseverance, and sense of humor; not to mention the story line. As this three-act play about a play within a play proceeds through rehearsal, dress rehearsal, and opening night, will it turn out to be a comedy, drama, or murder mystery? What could possibly go wrong? Everything! Every theater performer's worst nightmares provide a hilarious comedy from the audience's perspective.

Two roles remain to be filled; a teen/young-adult female and a second person, young or old . Contact Cheryl Herr-Rains at 293-3967).

Ticket information coming soon! Watch for details in the next newsletter.

**MT VERNON RESCUE COVID-19  
VACCINATION CLINIC  
COMING TO MT.VERNON!**

**SUNDAY, JUNE 13<sup>th</sup>**

**11 am to 5:30 pm**

**Mount Vernon Community Center**

**By town beach, across from fire station**

**PFIZER + J&J VACCINES!**

(More of the former, 2<sup>nd</sup> clinic 3-weeks later;  
J&J one shots mostly for the homebound)

**WALK-INS OK, APPOINTMENTS PREFERRED**

**CHILDREN 12 AND OVER WELCOME**

**FREE NDN RIDES TO/FROM CLINIC (860-0677)**

**WE CAN BRING VACCINE TO HOMEBOUND**

**NOT RESTRICTED TO RESIDENTS OF MT.VERNON**

**FOR SIGN UP OR MORE INFORMATION:**

**Dan Onion, 293-2076 or 242-6224**

**Or Tom Ward, 293-1016**

**REGISTRATION PORTAL TO BE AVAILABLE SOON**

# MOUNT VERNON SUMMER CRAFT FAIR

SATURDAY, JULY 17<sup>TH</sup> 9AM - 2PM

AT THE MT. VERNON TOWN BEACH

PROCEEDS TO BENEFIT THE MT. VERNON COMMUNITY  
CENTER BUILDING FUND.

Breakfast will be offered by the Community Center from 9-11

Hot dogs, hamburgers, chips and drinks will be available for  
purchase from The 3 Amigos (come find out who they are!)

Fresh Ella's will be serving up her awesome ice cream!

For more information or to reserve a space, contact Leslie  
Grenier at [lw929@gmail.com](mailto:lw929@gmail.com) .

*\*rain date July 18th*

# **VIENNA FIRE DEPARTMENT'S ANNUAL CHICKEN BBQ**

**Sunday, July 25, 2021  
11:30am-1:30pm**

**Adults \$9.00  
Children 12 & Under \$4.00**

**Place your order at the door, pick up at the  
window, and feel free to enjoy your meal  
at the picnic tables outside.**

## TOWN OF VIENNA

**Town of Vienna Selectmen, Assessors, and Overseers of the Poor -**

Laura Church, Chris Smith, Jeff Rackliff

**Treasurer -** Kerry Casey
